What can you do to help?

Our Civic League is run entirely by neighbors like you, working together. We have a few committees that need your help to keep our community strong:

Community Affairs Committee | Nominating Committee.

Our Diamond Lake & Land

In the 1960s, Diamond Lake and the land near Ebenezer were legally deeded to the Diamond Lake Estates Civic League so they would belong to our neighborhood, not a private company or the city.

As long as the Civic League stays active and these spaces are used for community and recreation, they remain protected for our residents and future generations. Every meeting, volunteer hour, and membership helps keep these special places in neighborhood hands.

Thank you for being part of Diamond Lake Estates! Please join us at our next meeting on Tuesday, January 20th at 7PM @ Chalice Christian Church!
