DIAMOND LAKE ESTATES

NEWSLETTER

March 1, 2026

Did you know? Our Civic League owns the lake and properties circled above!

NEXT CIVIC LEAGUE MEETING:

Tuesday, April 14, 2026

7PM @ Virginia Wesleyan University, Batten Student Center, Pearce Hospitality Suite

Spring is near and it's time to start thinking about all the wonderful outdoor activities that you can be a part of as a **member** of the DLE Civic League.

As a member you can use the lake to test your fishing skills (catch and release only), practice your canoe, kayak, or paddle board skills, or just sit on the docks and enjoy the peaceful water and wildlife.

There are plans in the works for some amazing member events including Egg My Yard, Summer Kick-off Potluck, Community Garage Sale, and so much more. Join us at the next meeting to hear what we have planned!

Why join the meeting?

Vote for:

- Vital Lake Decisions!
- Bylaw Changes!
- Annual Dues Increase?!
- Exciting Proposals!

Other needs:

- Appoint Committees!
- Collect Dues!
- Hear your voice!

Lake

Did you know you could pay your membership dues online or just get the latest information on events in the neighborhood? Go to www.diamondlakeestates.com

Diamond Lake Estates
Egg My Yard 2026 Fundraiser

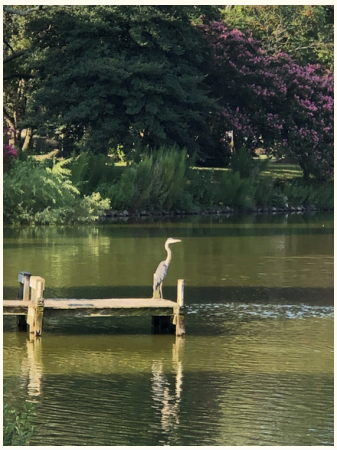
$25 for 25 eggs
$45 for 50 eggs
$64 for 80 eggs
$75 for 100 eggs

Eggs are pre-filled with a mix of candy and toys. Eggs will be deposited overnight in front yards on April 4th, for an April 5th surprise.

Registration, due by April 1st, can be completed using the QR code to the right, or by following the web address.

All proceeds will go towards the Diamond Lake Estates community improvement initiatives.

Egg My Yard Fundraiser



Diamond Lake Estates Member Events

6/13 2nd Saturday Paddle @ 9 AM	10/13 Civic League Mtg 6 PM @ VWU
6/21 Fishing Day	12/6 Holiday House Decorating Contest

🐾 Good News! New Dog Waste Stations Are Coming Soon!

We're thrilled to share that our community has been awarded **two free pet waste stations** through the **askHRgreen.org Pet Waste Station Grant Program** — a regional initiative designed to help neighborhoods like ours keep yards, sidewalks, parks, and watersheds cleaner and healthier!
Thanks to this grant, we'll soon be installing two convenient pet waste stations in high-traffic areas where dog walkers frequent. These stations will provide pet owners with easy access to bags and disposal options, making it simple for everyone to do their part in keeping our neighborhood clean and welcoming for people *and* pets.

Why Pet Waste Stations Matter
Proper disposal of dog waste isn't just about keeping grass green — it's about protecting our environment and local waterways too. When pet waste is left on the ground, rainwater can wash it into storm drains and directly into nearby rivers, streams, and the Chesapeake Bay watershed. Once there, harmful nitrogen and bacteria from the waste can:

- Pollute water quality, leading to unhealthy algae growth and reduced oxygen for aquatic life
- Contribute to beach closures and fishing restrictions
- Create unpleasant odors and unsightly messes in our parks and trails

By installing pet waste stations and encouraging responsible disposal, we help prevent harmful bacteria from entering stormwater systems — protecting our community health and the environment.
Let's all do our part to **scoop the poop**, protect our green spaces, and ensure cleaner water for everyone who lives, works, and plays here.

What can you do to help?

Our Civic League is run entirely by neighbors like you, working together. We have a few committees that need your help to keep our community strong:

Lake Committee | Playground Committee | Fundraising & Grants | Community Affairs Committee | Nominating Committee.

Our Diamond Lake & Land

In the 1960s, Diamond Lake and the land near Ebenezer were legally deeded to the Diamond Lake Estates Civic League so they would belong to our neighborhood, not a private company or the city.

As long as the Civic League stays active and these spaces are used for community and recreation, they remain protected for our residents and future generations. Every meeting, volunteer hour, and membership helps keep these special places in neighborhood hands.

Thank you for being part of Diamond Lake Estates! Please join us at our next meeting on **Tuesday, April 14th at 7PM @ Virginia Wesleyan University, Batten Student Center!**
